

FOR THOSE WHO WANT TO WRITE OR SEND E-MAILS TO THE SOLDIERS:

This would be very much appreciated, since Canadian sailors, soldiers and air force personnel deployed on operations need all the cheer they can get. Messages, postcards and letters from home are very important for their morale. Post cards, letters, and bundled letters, addressed to "Any CF Member" will be accepted:

For forces in the Middle East:

Chosen Soldier

An opportunity to support the morale of our troops overseas and provide them with some tangible comfort from home

Please take a few moments to learn how you and your congregation, club, team, or co-workers can make a positive difference in the everyday routine of the young men and women serving on our behalf in conflict circumstances far from home.

"CHOSEN SOLDIER" is a volunteer program that allows groups to informally adopt a Canadian soldier serving abroad, and provide both moral and material support while he or she is far from home, and under extremely dangerous wartime conditions. Congregations, groups, or family and friends can cooperate with the purchasing and mailing of items, without any one person finding the adoption too expensive.

Soldiers are normally deployed for six months. When the soldier returns to Canada, you have the option of sponsoring his/her replacement, or to stop corresponding with soldiers. When parcels are ready for mailing, please be sure to advise the program organizers before mailing.

SUGGESTED ITEMS WOULD INCLUDE:

- ✓ Lip balm (Medicated) *Is like gold to the soldiers*
- ✓ Beef jerky, gum, playing cards
- ✓ Wet wipes (very important) *this is what the troops use to bathe with when they are on patrol for 10 to 15 days at a time*
- ✓ Puzzle books, dry pasta & pasta sauce in cans etc.
- ✓ Paper envelopes, pencils, & pens
- ✓ Kleenex, toilet paper, feminine hygiene supplies.
- ✓ Hand sanitizer, sun block, bug repellent, pillowcases
- ✓ T-Shirts, hats gloves, toques & mittens
- ✓ Coffee, soup, tea, power bars, juice crystals, *Chocolate will melt - M & M 's won't*

- ▶ Maximum Weight: is 20 kilograms or 44 pounds

If you follow these dimensions, you will not be over in size.

PARCEL LABELLING DIRECTIONS:

- 1 Your name & return address on the top left hand side of the package
- 2 A few inches below the return address, briefly list the contents (*IE Gum Pasta Books Etc.*)
- 3 In the Middle of the box print the soldiers address

SENDING PACKAGES:

At the Post Office, you may be requested to fill out a customs form. This form is easy to fill out by simply transferring the information from package to form (*More forms can be taken home so you can complete the forms for future mailings*)

It's common practice for the contents of the packages to be shared among all the soldiers in a squad or platoon. (For example: if a sponsored soldier has 11 others in his/her squad, frequently he/she will share the goodies among the others.)

If you would like more information about this volunteer, nonprofit program, you can contact the volunteer coordinators, **Ms Louise Jarvis**, and **Ms Joan McMurray** at either of the following e-mail addresses: potter2.hogwarts@gmail.com or joan_mcmurray@sympatico.ca Visit our website at http://www.trevlac.biz/Chosen_Soldier.htm

"TASTE OF HOME A TO Z" One enterprising soldier in Afghanistan got together with the members of his platoon and they came up with this list of 'treats from home' that they miss the most. (This is a sort of wish list to pick from, as all of it couldn't possibly fit in a single parcel)
